Memorandum

1. On Friday, September 12, 2009, I met with Mike Louderback, IRS agent, (937-610-2173) concerning the amounts owed to the IRS as a result of the court order issued at the time of my sentencing on October 18, 2005. Based on our discussion and the financial statement of expenses and money coming in from social security, Mike determined that the amounts owed were uncollectible. See Exhibit A which is a copy of Mike's confirming letter to me dated January 13, 2009.

2. On Monday, March 16, 2009, I received a notice from the DEPARTMENT OF THE TREASURY FINANCIAL MANAGEMENT SERVICE dated "03/18/09". The notice was sent to the address I'm temporarily staying at, rather than to my P.O. Box. See Exhibit B for a copy of that notice.

3. Among other things, Exhibit B states that: "The Agency has previously sent notice to you at the last address known to the Agency." Since I had no memory of having received such "previously sent notice" and was unable to locate such a notice in my records, on Wednesday morning, March 17, 2009, at 2:41 AM, I sent an email to Attorney Vince Popp, and asked if he

would check into the matter. At 2:25 PM on March 17, 2009, Vince sent me an email response in which he suggested, because of his already busy schedule, that I call the FINANCIAL LITIGATION UNIT and speak to them directly for an explanation.

4. On Wednesday, March 18, 2009, at 12:50 PM, I called the 614-469-5715 number given on the notice and spoke with a Miss Turner about the matter. She indicated that it was about collecting money that was owed to the IRS because of the court order that was issued at the time of my sentencing in October, 2005, and that she would send me a copy of the notice I hadn't yet seen. I mentioned to her that the IRS had determined that the amounts owed because of that court order were deemed as uncollectible and that I could send her a letter confirming that determination if that would be of help. Miss Turner indicated that even though the IRS had determined such amounts to be uncollectible, her office would only stop such withholding from my social security funds if they received a court order to that effect. She also requested that I send her a copy of any request I made for such a court order. Hence, you'll see her name and address in the Certificate of Service portion of this Request.

5. On Sunday, March 22, 2009, I checked my P.O. Box for mail, and found, among other things, a letter from Miss Turner, as well as a copy of the notice that I had previously not seen because it was sent to the address I was at before going to prison in October, 2005. Attached and collectively marked as Exhibit C, are copies of that letter and notice.

6. Based on consideration of the above, I request that a court order be issued that would have the effect of halting any further withholding from my social security funds, as well as directing that the amount withheld on March 18, 2009, \$287.25, as well as any additional amounts that may end up being withheld before such court order takes effect, be returned to me.

Thank you,

Walt Maken

Dear Walt:

As per our telephone conversation this day, I am providing you this letter to be used as a means of communication with the State of Ohio to satisfy their request from you pertaining to your balances with the IRS.

You submitted a financial statement to me on 9/12/2008 from which it was determined your income was not sufficient to make payments on the IRS balances of record. As such, your account was deemed to be uncollectible at that particular point in time.

Please be advised I cannot discuss your account with anyone other than you unless you authorize another person to be your power of attorney and then only if you provide a written request for the same on IRS form 2848.

Please call should you have any questions.

NOTICE OF INTENT TO OFFSET

This office is responsible for collecting a debt you owe as a result of a judgment in favor of the United States. This debt may include additional costs, interest, penalties, and a surcharge which are not reflected in the amount shown above. A United States District Court entered a judgment against you and established the amount due. The District Court judgment is a final decision that you owe this debt to the United States.

We strongly urge you to pay this debt immediately. Make your payment payable to the Clerk of Court. Please include your court number on your payment.

If you do not pay your debt, Federal law allows agencies to refer debts to the United States Department of the Treasury for the purpose of collecting debts through the Treasury Offset Program. Under this program, the Department of the Treasury will reduce or withhold any of your eligible Federal payments (see list of federal payments eligible for offset on the back of this notice) by the amount of your debt. This "offset" process is authorized by the Debt Collection Act of 1982, as amended by the Debt Collection Improvement Act of 1996, and the Internal Revenue Code. Under these statutes, prior to referring a debt for offset, a federal agency must: (1) notify the debtor who is responsible for the debt that the agency plans to refer the debt to the Department of the Treasury for the offset of any pending federal payments; (2) determine that the debt is past-due and legally enforceable after providing the debtor at least 60 days in which to present evidence to the contrary; and (3) make reasonable efforts to collect the debt. The purpose of this notice is to meet these requirements.

To avoid referral of your debt to the Treasury Offset Program, within 60 calendar days from the date of this notice you must: (1) pay your debt in full; or (2) enter into a repayment agreement; or (3) present evidence that all or part of the criminal or
